

Dear Rock Island County Farm Bureau members:

The Rock Island County Farm Bureau is grateful for your support in membership the past year. We are proud of our heritage organization since 1916.

When you join the Rock Island County Farm Bureau you gain money-saving benefits from local businesses and discounts, as well as the national discounts offered through our state organization, the Illinois Farm Bureau.

Intangible benefits include the Rock Island County Farm Bureau working diligently protecting private property rights, monitoring local government and taxes, and of course working with some of the best farmers in the world.

When you see events like the Agriculture in the Classroom AgXPerience, special school visits in Rock Island County schools or Bushels for Hunger grain drive to benefit the RiverBend FoodBank – know that your Rock Island County Farm Bureau is leading the way in giving back to the community.

Remember to look online at the many benefits of the Farm Bureau – [www.ricofarmbureau.org](http://www.ricofarmbureau.org)!

Sincerely,

**MARTY MCMANUS**

## Easier way to pay dues for associate members

Rock Island County Farm Bureau, the Illinois Farm Bureau and Country Financial have worked together to make it easier for associate members who are also Country Mutual Insurance Company or Country Preferred Insurance Co. customers to pay their membership dues.

If your county/Illinois Farm Bureau associate membership is required by Country Financial for your personal lines policy, beginning Oct. 1, your annual county/Illinois Farm Bureau membership dues will be included with your insurance premium in one billing for most personal lines policies.

From then on, you will only need to make one easy payment to Country Financial and we'll take care of the rest!

Adding your membership dues to the Country premium bill may change the timing of your membership dues payment. If so, you will remain a member of county/Illinois Farm Bureau during the time between your last payment year and your new payment due date.
